Can be indiscreet, hasty in speech and too overpowering. Great love of change, travelling and exploring. Plenty of energy, activity and self-confidence. Better at directing others than carrying out own plans, because you are over-active, impatient and given to irritability. Fearless. Adventurous.

SIGN 3

♊

Sympathetic and sensitive nature. Feeling and emotions play an active part in your life. Rather shy and reserved. Receptive to the influence of those around you and this accounts for many of your moods that are not understood. Tenacious. Adaptable, cautious and economical. Very attached to the home and family life. Protective. Clings to people and things. In shell.

SIGN 4

♋

Refined and artistic nature, fond of pleasure, cheerful, hopeful, generous, sociable, affectionate and romantic. Good reasoning ability, perception and comparison. Just and sincere in seeing both sides of a subject clearly. Inclined to associate with others. Idealistic and need harmony in your surroundings. Indecisive. Intellectual.

SIGN 5

♌

Active, jovial, enterprising, self-reliant and independent disposition with a natural inclination to philosophy or science. Progressive ideas and a love of freedom. Sometimes a little too outspoken and tactless although of a kindly and sympathetic nature. Intuitive and a good conversationalist with ready wit. Fondness of travel, walking, sport and outdoor activities. Happy when fighting other people's battles. Restless.

SIGN 6

♍

Aspiring and ambitious nature. Capable of holding positions of responsibility and authority. Act from the heart with much affection and sympathy. Magnetic, sociable and pleasure-loving. Proud and dignified. Deep and powerful feelings. Care must be taken not to allow your heart to mislead you as you are sympathetic and generous. Children play an important part in your life. Likes to be seen to be doing rather than just doing. Self-centred, indulgent.

Zodiac Sign Characteristics Part 1

SIGN 7

Persevering, ambitious and practical with ability to hold positions of responsibility through your patience and determination to succeed. Ever striving to climb to the top being desirous of power and fame. Trustworthy and reliable, very rarely impulsive, being slow and deliberate. Avoid becoming too thrifty and overcareful of your own interests. Reserved nature and somewhat serious. Guard against despondency and loneliness by mingling with bright company. Rarely demonstrative or fond of play. Conserver of materials and resources.

SIGN 8

Sensitive, receptive, sympathetic, impressionable with varying moods and although you feel deeply, you rarely express your emotions. At times the willpower needs strengthening for you would rather suffer injury than fight for your rights. Inclined to be imposed upon and influenced by people and circumstances. Dependable and trustworthy. Deep sympathy for those in need. Avoid tendency to worry, despondence. Vague, confused, impressionable.

SIGN 9

Mentally active. Abilities along lines of Art, Literature or Science, but must guard against changeability and lack of concentration. Like speaking, writing, teaching, travelling, walking etc. where there is plenty of movement and change. Always reasoning about feelings and emotions. Quick-witted, nervous, restless and irritable. Quick flow of speech and quick at repartee. Has many interests. Eager to travel. Likes linking things mentally.
